COMMONWEALTH OF MASSACHUSETTS

PLYMOUTH, SS.

PLYMOUTH SUPERIOR COURT
INDICTMENT 2385CR00183

COMMONWEALTH
v.
LINDSAY CLANCY

MOTION FOR TRIAL DATE

Now comes the Commonwealth and respectfully requests a trial date in this matter in September of 2025.

As reasons wherefore, the Commonwealth states that the date of offense was January 24, 2023, and the case was arraigned in Superior Court on October 26, 2023. While DNA testing results and reports from experts are outstanding, it is reasonably believed that this discovery will be complete well in advance of September of 2025.

For the Commonwealth,
Timothy J. Cruz, District Attorney
